The same great game now in a great cabinet

**"Super 6"
Plus II**

Convenient Front Access

Easy maintenance. Front of game hinges outward for access to all major components without moving entire cabinet from wall.

Many Profitable Features

Profitable features including Spider Writer[®], Arachnid Web[®], and Coin Credit Card. Popular menu of games including 301 Open In/Open Out, Count Up, Tic Tac Darts, 501 Open In/Open Out, 701 Open In/Double Out, 301 Double In/Double Out, Regular Cricket, Cut Throat Cricket and Team Cricket.

Super Spider

Super Spider features a narrow spider, flush surface design and unique square entry holes. Bounce outs are minimized.

Large 12" Monitor For Easy Visibility

Standard on all games a new 12" monitor for easy visibility from across any location. Available in optional top-monitor position.

Cabinet Designed For Reliability

This stable cabinet is designed so that spilled drinks cannot leak into the cabinet. The monitor has been placed inside a case. Player Change and Enter buttons are recessed to avoid accidental bumping. Lights are on a special long-life circuit with standard 60-watt bulbs.

Super 6 Plus II

More Than Good Looks

New convenience combined with established profitable features

- ★ 12" Monitor - 9" monitors have been replaced with full size 12" monitors.
- ★ Arachnid Web - 80% more catching surface means quicker games.
- ★ Super Spider - featuring a player-preferred narrow spider. Flush surface design creates no shadows for better target visibility and unique square entry holes designed so 98% of darts thrown stick.
- ★ Coin Credit Card - adjust the price for your market on each game.
- ★ Spider Writer - greet your patrons with a special message or promote leagues, tournaments or location specials.
